OK, enough already with the cigars, the cufflinks and the ties. We need something truly special for Father's Day. How about a Ferrari? Kinda-sort of.

George Press Jewelers, one of northern New Jersey's premier retailers for couture jewelry and custom designs, is inviting you to an up-close look at four of the most sought after Ferrari models. And because sitting in the driver's seat is always better than just looking, on June 9, you'll have the chance to get behind the wheel as part of the "Ride and Drive a Ferrari" event. On display will be the Ferrari Enzo, Ferrari 599 GTO, Ferrari Scuderia Spider 16M and the Ferrari Spider from the collection of local celebrity hairstylist and Ferrari enthusiast, Richard Stein.

Entries will be accepted in the week following the event until June 16 with donations and proceeds from the giveaway benefiting the 2012 Parkinson's Unity Walk.
